AROGYA SANGAM 2025

आ नो भद्राः क्रतवो यन्तु विश्वतः।

Let the supreme thoughts and knowledge
flow towards us from all directions

Rigveda 1.89.1

सर्वे भवन्तु सुखिनः सर्वे सन्तु निरामयाः ॥

"May all be happy, may all be free from disease."

Let us all together contribute to this concept of Global wellness

With the ultimate aim of patient's wellbeing, This is going to be the stage where all the health Sciences come together, get integrated with their contribution, helping each other to attain the Global health. For the well-being of the patient, all branches of health sciences should work together under one roof and contribute their best to ensure that the patient receives proper care and a comprehensive treatment approach.

Benefits of integrative medicine

- Better approach – Management vs Cure
- Improved quality of life
- Reduced reliance on medications
- Address chronic pain
- Enhanced patient-practitioner relationship
- Preventive aspect – Diet and regime
- Technology

Seminar Highlights

- Plenary sessions
- Keynote addresses
- Case presentations
- Research paper presentations
- Poster sessions
- Interactive sessions
- Panel Discussion

ONE NATION - ONE HEALTH

AROGYA SANGAM 2025

DISCIPLINES

- AYURVEDA & YOGA
- MEDICINE
- HOMEOPATHY, UNANI & SIDDHA
- BIOTECH & BIOSCIENCES
- IT, AI & MACHINE LEARNING
- PHARMACY
- AGRICULTURE
- FOOD & NUTRITION
- ENTREPRENEURSHIP
- LIFE SCIENCES

TOPICS FOR PAPERS

INTEGRATIVE APPROACH IN FOLLOWING FIELDS

- * DEGENERATIVE DISORDERS
- * INFLAMMATORY DISORDERS
- * IMMUNITY
- * ONCOLOGY
- * NEURO-MUSCULAR DISORDERS
- * PSYCHIATRY
- * FOOD & DIETETICS
- * LIFESTYLE DISORDERS
- * PREVENTIVE MEDICINE
- * AUTISM / ADHD
- * PEDIATRICS
- * PAIN MANAGEMENT
- * METABOLIC SYNDROME
- * ENDOCRINOLOGY
- * INFERTILITY
- * GYNECOLOGY
- * OBSTETRICS
- * ENT & OPTHOMOLOGY
- * SKIN DISORDERS
- * GERIATRICS
- * NOVEL DRUG DELIVERY
- * NANO MEDICINE
- * SURGERY
- * KSHARASUTRA
- * PARASURGICAL PROCEDURES
- * AGNIKARMA
- * RAKTAMOKSHANA
- * PANCHAKARMA
- * RASAYANA
- * YOGA
- * HOLISTIC APPROACH
- * DIAGNOSTICS

AROGYA SANGAM 2025

REGISTRATION DETAILS

IMPORTANT DATES

Registration commencing	15th July 2025
Last date for registration	15th Sept 2025
Last date for registration with fine	30th Sept 2025
Abstract submission last date	31st Aug 2025

REGISTRATION FEES

Registration Fee: ₹ 3000/-

Registration fee includes seminar kit and food.

Original research papers selected by the committee will be published as Conference proceedings with ISBN number.

Dormitory accommodation may be provided, if requested, based on availability, as first come first serve basis.

AROGYA SANGAM 2025

Guru Gorakshnath Institute of Medical Sciences

Established in 2021, Guru Gorakshnath Institute of Medical Sciences, Faculty of Ayurveda, is an emerging center of excellence in Ayurvedic education, research, and healthcare. As a constituent unit of Mahayogi Gorakshnath University, the institute is dedicated to advancing the time-honored principles of Ayurveda while addressing the healthcare needs of Eastern Uttar Pradesh and beyond. Nestled within an expansive, thoughtfully designed campus, the institute features modern, multi-level academic buildings equipped with ICT-enabled classrooms, a central library, and a comprehensive digital library, all designed to support an engaging and future-focused academic environment.

The institute currently offers Bachelor of Ayurvedic Medicine and Surgery (BAMS) – with an annual intake of 100 students and Ph.D. programs in Ayurveda – encouraging advanced research and scholarly excellence. The academic programs are closely integrated with the institute's clinical counterpart, Mahant Digvijaynath Ayurveda Hospital—a state-of-the-art healthcare facility that delivers affordable, authentic, and holistic Ayurvedic care. Committed to the spirit of selfless service, the hospital combines modern amenities with the foundational values of Ayurveda to provide compassionate and effective treatment to the community. To promote academic discourse and interdisciplinary collaboration, the institute actively organizes conferences and scholarly events. Notably, it hosted its first International Conference on Ayur-Yoga-Nathpanth from *12th to 14th January 2025*, attracting scholars and practitioners from across the globe. Building on this momentum, the institute is preparing to host another International Conference on Integrative Medicine in *October 2025*. Additionally, two national conferences—Sukhayu 2023 and Hitayu 2024—were successfully organized on the occasion of Dhanvantari Jayanti (Ayurveda Day), highlighting key developments and innovations in the field.

Mahayogi Gorakshnath University Gorakhpur

Mahayogi Gorakshnath University was established in 2021 through the divine inspiration and blessings of Shiva Avatar Mahayogi Guru Gorakshanath Ji, and in honor of the vision and commitment of revered saints—Brahmaleen Mahant Digvijaynath Ji Maharaj and Brahmaleen Mahant Avidyanath Ji Maharaj—who dedicated their lives to the advancement of education. With the dynamic leadership of the present Peethadheeshwar of Gorakshapeeth and Hon'ble Chief Minister of Uttar Pradesh, Shri Yogi Adityanath Ji, the university was founded with a mission to offer quality education and integrated services across a wide range of disciplines, including Ayurveda, Medicine, Pharmacy, Nursing, Agriculture, Allied Health Sciences, Paramedical Sciences, Management and more. Mahayogi Gorakshnath University stands as a beacon of holistic education, rooted in cultural values and committed to the development of society through knowledge, research, and service.
